THANK YOU:

What a wonderful blessing it was to be with you in your Sunday evening service. Thank you for the opportunity to give an update of the Lord's work in Ukraine. We enjoyed the fellowship with Pastor and Linda at lunch, and with the Sunday evening group in Pastor's home. We always leave encouraged by how we see the Lord working through you. Thank you for your faithfulness in supporting us and the work in Ukraine and Laos. The generous love offering was a blessing, thank you! - Derek & Julie Thomas
