

PAUL'S LETTER TO THE GALATIANS **NO OTHER GOSPEL:**  
FREEDOM IN CHRIST

**LESSON 5:** "Guardians of the Gospel" **Date:** Sept 21/Oct 5, 2014  
**TEXT:** Galatians 2:11-21

**INTRODUCTION**

While Paul actually introduced the concept of protecting the gospel in Galatians 2:5, he takes it a step further in 2:11-21. In this passage, Paul role-models for us an important lesson: **we must \_\_\_\_\_ the gospel from all that might subvert it.** Let's learn from this gospel guardian as we listen to his story of when he rebuked an erring friend. As we do so, let's pray for grace to continue Paul's legacy of protecting "the truth of the gospel."

**PETER'S \_\_\_\_\_ (vv. 11-14a)**

1. *The \_\_\_\_\_ (vv. 11-13a)*
2. *The \_\_\_\_\_ (v. 12b)*
3. *The \_\_\_\_\_ (vv. 13-14a)*
  - a. *Other believers were \_\_\_\_\_ into sin (v. 13).*
  - b. *The gospel was \_\_\_\_\_ (v. 14a).*

**PAUL'S \_\_\_\_\_ (vv. 11, 14b)**

1. *The \_\_\_\_\_ (v. 14a)*
2. *The \_\_\_\_\_ (v. 14c)*

**Application:** Two principles for us to consider in our own lives.

- Specific principle: How can you call people to \_\_\_\_\_ when you've been living by \_\_\_\_\_?
- General principle: How can you ask people to be like \_\_\_\_\_ when you've been like \_\_\_\_\_?

3. *The \_\_\_\_\_ (v. 11, 14b)*

a. *A \_\_\_\_\_ rebuke (v. 11)*

b. *A \_\_\_\_\_ rebuke (v. 14a)*

c. *A \_\_\_\_\_ rebuke (v. 14)*

**PAUL'S \_\_\_\_\_ (vv. 15-21)**

Justification —

1. *Thesis (vv. 15-16) – Justification is through \_\_\_\_\_ alone, not through obedience to the Law.*
2. *Argument 1 (vv. 17-18) – A legalistic gospel makes Christ a promoter of \_\_\_\_\_.*
3. *Argument 2 (vv. 19-20) – Union with Christ through faith \_\_\_\_\_ the Law's demands and penalties.*
4. *Conclusion (v. 21) – A legalistic gospel \_\_\_\_\_ grace and \_\_\_\_\_ Christ's crucifixion.*
