

## Lesson 7: Anything You Can Do I Can Do Better

### Feminism and Egalitarianism

In our last lesson, we looked at the role that men and women have in Scripture. In this lesson, we will zoom in on two movements pushing back against these roles: feminism and egalitarianism.

#### Does the Bible Require Women to Submit in the Home?

##### The Bible and \_\_\_\_\_

We always want to ask what does God's Word say? If God's Word says women are to submit to their husbands, then we must stand by that. If Scripture does not say that, then we must be careful not to bind people's conscience unnecessarily.

- **Does the \_\_\_\_\_ Teach Submission?**

While Genesis 3:16 is probably focusing more on the effects of the fall than God's initial pattern, Paul argues in 1 Corinthians 11 and 1 Timothy 2 that Genesis 1-2 shows us God's pattern in creation reflects the differences in men and women.

- **Do \_\_\_\_\_ and \_\_\_\_\_ Teach Submission?**

On three occasions the New Testament gives instructions for the wife to submit to her husband (Ephesians 5:22; Colossians 3:18, and 1 Peter 3:18). Although some try to get around these passages, they are pretty clear on what God expects of wives.

##### The Bible and \_\_\_\_\_

Feminism has for years argued that women will only be happy if they get out of the home and pursue a career. The Bible, however, sees the work of women watching over the home and raising children as a good and noble responsibility (Proverbs 31; Titus 2).

Feminism has for years argued that women will only be happy if they get out of the home and pursue a career. The Bible, however, sees the work of women watching over the home and raising children as a good and noble responsibility (Proverbs 31; Titus 2).

## Does the Bible Forbid Women Leading in the Church?

If the Bible does indeed teach women are to submit to their husbands at home, what about the church? Can women preach and teach men or have pastoral leadership?

### The \_\_\_\_\_ Women in Leadership

- **Women are talented and gifted in areas of leadership and teaching.** Women are often gifted teachers, administrators, and can learn theology well. So why not let them pastor?
- **Women serve in \_\_\_\_\_ roles in Scripture.** Although terms for a pastor are never used of a woman, women who prophesied and were disciples convinces some they should be allowed to lead.
- **The gospel \_\_\_\_\_ and \_\_\_\_\_ women.** The general picture of women in Scripture elevates their status and gives them important ministries.

### The \_\_\_\_\_ with Women in Leadership

- **Women are not to \_\_\_\_\_ or exercise \_\_\_\_\_ (1 Timothy 2:11-14).** Paul is very clear he is giving his instruction, not because of a problem in Ephesus, but because of the way God made things (2:13-14).
- **Women are to remain \_\_\_\_\_ in the churches (1 Corinthians 14:33-34).** Paul's statements here seem odd, but the context for these verses is the interpretation of prophecy, which would have been an authoritative task.
- **Pastors are always \_\_\_\_\_ (1 Timothy 3; Titus 1).**

### The \_\_\_\_\_ of God's \_\_\_\_\_

The Bible is not saying there is no place for women in ministry, but that in ministry and home God wants men to lead and women to follow. Even if this is difficult, we must be willing to accept, embrace, and ultimately thank God for His good plan.
